

# **Celebrating 90 Years** **"Artist's Tales From the LCAA"**

**We would like to document the many stories that make up the LCAA's past 90 years including its members, current and past! It can be a simple comment, musing or a short story.**

**It could be something funny that happened at the LCAA, a class that helped you become a better artist, or an exhibit that inspired you.**

**You could write about members and artists who were encouraging, who became mentors and friends.**

**Writings can be from the LCAA's past or something current. They can be as short as a few sentences or as long as 500 words. You may write more than one if you wish.**

**Copies of our "Artist's Tales" will be given out at the LCAA's 90th Anniversary Dinner & Meeting on May 13.**

**Deadline is May 1 for submissions.**

**Please send your writings by email to [lcaanews@yahoo.com](mailto:lcaanews@yahoo.com), please put Artist's Tales on the subject line. You may also drop off a typed copy at the LCAA or send to LCAA, 149 Precision Ave. Strasburg, PA 17579.**
