## HELP US CREATE OUR HOLIDAY ARTIST VILLAGE TO CELEBRATE THE SEASON!

*Paint one of our pre-cut wooden buildings or trees with your own unique style. Our village will be on display during our Holiday exhibit and pieces will be for sale to benefit the LCAA. You may also win a prize or our People's Choice Award. Our village will be filled with a variety of different types of buildings (see below). You can pick your favorite shape, make your own design and be a part of our Holiday Surprise Exhibit.*

### Guidelines:

1. Pick out 1 or more of our pre-cut composite wooden buildings or trees. They are coated with a base of white paint. Sign up with the form below.
2. Design, draw and paint. Acrylics or craft paints work well, feel free to use other mediums. You may also add glitter or glue on paper, or other items to your piece.
3. You can add holiday decorations to your design such as wreaths, lights, a menorah in the window, etc. You can incorporate people, pets, trees, etc. into your design.
4. The back can be painted with a flat color or you can make it the back of your building.
5. Please sign your name on the back.

6. You may varnish or clear coat the piece after painting if you wish.
7. Any artist – 10 years or older can participate.
8. Return your finished building donation to the LCAA by Nov. 19 for display and judging during our annual Holiday Surprise exhibit.

**Suggested buildings for the village:** Houses, (your own house if you wish), Farmhouse, Barn, Shops (such as Candy, Toy, Pet, Bakery, Holiday, Art & Craft, etc.), Schoolhouse, Churches or other places of worship, Art Studios, Galleries, and Museums, etc.

**Wooden Shapes are available starting Oct. 19.**
